Date Sent	Information
7/18/2016	Per DFA/Office of Fiscal Management: Advances for travel expenses issued in BY2016 must be settled by July 29, 2016. Any payments to employees, including salary, can be held by DFA if travel advances are not cleared by the end of the month following the month in which the trip was completed.
7/14/2016	YP documents will need to be manually entered to process interagency payments that are no longer parked. For instructions on manually entering YP documents, please refer to the job aid .
7/8/2016	<p>Per DFA/Office of Financial Reporting, for all Budget Period 2017 YV documents and forward, the form linked will be required: http://www.dfa.ms.gov/media/4087/correction-request-form.pdf. The form can be found on DFA's website http://www.dfa.ms.gov/.</p> <p>On the top left of the page, select the menu icon , select "DFA Forms" from the drop down menu and select "Office of Financial Reporting". You should see the link to the form "Journal Entry – Correction Request Form".</p> <p>In addition to the new form agencies must include an FB03 or other MAGIC report that matches the entry or entries they are attempting to adjust. If the YV adjustment is a grant or revenue allocation posting, agencies will need to include their summary spreadsheet with calculations for the posting. Additional information may be requested for attachment as we further define this process.</p> <p>For questions or concerns regarding this new policy please contact angela.tyler@dfa.ms.gov.</p>
7/7/2016	All documents unposted as of noon 06/30/2016, have been deleted. Any YP or YT documents that did not post by noon 06/30/2016 will have to be reentered using t-code FV60. If needed, please contact the vendor for a copy of the invoice.
7/6/2016	There will be a delay in the printing of MAGIC warrants today (7/6/2016) and another email will be sent when the warrants are ready for pickup at DFA/OFM.
7/5/2016	For instructions on how to find the received date on parked documents, please review the new job aid within uPerform.
7/5/2016	If your agency uses the Standard Financial Inbound Interface process to load documents into MAGIC, please ensure that all documents are dated 7/1/2016 or later in order to complete processing. The interface process does not conduct a validation on whether the dates in the file are valid dates for the current fiscal year, the interface only validates that it is a valid calendar date. Any documents loaded with 'Posting Date' prior to 7/1/2016 will receive errors at the time of posting as this is not a valid date for the current fiscal year of 2017.

7/5/2016	Per DFA/Office of Fiscal Management: Received Date will be a required field on payment documents during the lapse period. The data entered in this field should be the date the goods or services were received. The received date will be used to categorize payments on the received date reports as payables or encumbrances in order to record the proper GAAP accrual entries.
7/1/2016	<p>Per DFA/Office of Fiscal Management: Current Year Functional Area Budget Controls will be copied from 2016 to 2017. If an agency wants to change their Budget Control (i.e. turn on or off Z1 or Z3), a request must be emailed to ofm.bfm@dfa.ms.gov.</p> <p>If an agency has question about the Functional Area Budget Controls, contact Lisa Dunn at 601-359-9416.</p>

MAGIC Grants Management	
Date Sent	Information
7/1/2016	<p>During the lapse period of July and August, grantor agencies will be able to choose which budget year the claim will be applied. In order for MAGIC to separate each payment and charge them to different budget years and allotment periods, some additional date management will need to be done on the claim. When creating a claim on behalf of the user, or when processing a claim sent in by the user, the start date of the claim will need to correspond to the desired budget year. The expense date on each line item will also need to be changed to reflect this date. No other dates will need to be adjusted. For example: If you get a claim in on July 13th and want to pay it with prior year funds, you will change the start date on the claim to 6/30/2016. This will set the budget period on the invoice and payment document to 2016-A2. If you would like to pay it with the new year funds, set the start date to the current date so the budget period on the invoice and payment document will be set to 2017-A1. The new invoicing program uses this date to sort the payments. This date field should be checked on every claim to ensure proper posting of Grantor claims.</p>
